How to Be a Sister

A Love Story with a Twist of Autism

Eileen's book tells the story of her efforts to re-connect as adults with her sister Margaret, who was diagnosed with severe autism at age three. This memoir of their adult relationship is also peppered with stories from their shared childhood. This event will be of special interest to those interested in human development and family relationships., or to anyone who has a family member on the autism spectrum.

Join us for a stimulating evening - 10% off the featured book, a drawing for a free copy of the evenings book, refreshments, and seating.
